### **CHILDCARE APPRECIATION:**

Our childcare workers are the foundation of this ministry without which we would not be able to serve the Moms with preschoolers. Each month we like to do something small to remind them they are appreciated. We ask each small group to buy or make something small and give it to the childcare workers at the beginning of the month. Could we also ask this year that you also make a focus that month of praying for our childcare workers and the children in their care? We need 16 gifts. Additionally, some of the groups last year made extra gifts and gave them to some of the hidden helpers (Beth Kelly at the reception desk, Angela Croce in the office). If you can afford to include these helpers, wonderful, making the total count needed being 18 gifts. If not, a thank you note signed by your small group would be just as treasured!

### **PANERA THANK YOU:**

Also, we ask that you send a thank you note signed by the members of your group to Panera in Mentor (7357 Mentor Ave, Mentor, OH 44060) for donating the bagels and baked goods to us every week. The church office will gladly add postage to the card if you drop it off at Beth's desk.
