The intent of these meetings is two-fold. It is an opportunity for the small group leaders to impact how this ministry is run by giving input on issues currently under discussion and raising issues they think need addressed. Additionally, it is an opportunity for the steering committee to get to know how they can pray specifically for each small group and bond with you as fellow leaders.

We will meet in the Library, room 224, as soon as we are done cleaning up the main meeting room after Mastering Motherhood. The meeting will conclude by 1:30 p.m. Lunch will be provided for the Moms although we ask you bring a lunch for your children. There will be childcare provided for the children in room 232. We will send a reminder email two weeks in advance.
