### Our Speaker:

*WHITNEY CAPPS*

Whitney will help us see what happens when women stop being “busy” and become “real” and how we can quench our deep thirst for friendship and God with a cool glass of Living water. Come and join us as we seek to become better “friends” as our greatest Friend draws us to His heart.

Often times people who hear Whitney speak say the same thing, “she’s just so real.” Whitney hopes that sharing her struggles and failures will point her listeners to God. Whitney responds, “My failures magnify His grace and goodness. Why hide what God uses for His glory?”

“I don’t teach because I have a lot of answers; I teach because I have a lot of questions.”

Ask Whitney Capps why she loves to speak and that’s the answer you’ll get. No pretense. No pride. No posturing. Whitney teaches because she loves to shatter the perception that to study the Scriptures one must be a scholar or a saint.
